artax Fide Consult AG congratulates employees on their completion of their further education

Dear Ladies and Gentlemen,

The artax group supports and challenges employees. Education and advanced training are the strengths of our corporate culture. We congratulate Mr. Fabian Egger on his degree as a Certified Finance and Accounting Specialist and Mrs. Elisabeth Stanojevic on her graduation as an Administrative assistant.

The artax group, with its four partners and its employees, meet regulatory requirements and the highest quality standards, which we presented to you in our [newsletter from the 25 February 2014](#). Our credit standing has been rated good, we are under the authority of several inspectorates respectively self-regulatory organizations, have a professional auditor-team and are a member of various associations with qualified profile requirements. Our employees attend advanced trainings regularly to face new challenges.

Best Regards
artax Fide Consult AG
